Showcasing these industry exclusive products that capitalize on the hottest floor trends will bring dealers new business and enhance their showroom floor. Big box outlets can't promote these patented tools because we won't sell to them. Consumers want and need value solutions to their floor cleaning projects while being able to find all the products they need to complete their task. The Ceramic Tile Cleaning Solution center will act as a silent salesperson to drive new sales that takes advantage of one of the fastest growing hard floor products.
