The Standard of Performance and Durability

- Koblenz powerful 4.2 amp. heavy-duty motor will pull out deep-imbedded dirt, obtaining fast results with little effort.
- All metal construction.
- Counter rotating twin brushes provide a 12" or 16" path for faster cleaning.
- Special soft bristle brush maximizes cleaning power while preventing damage to carpet fibers.
- T-bar handle enables user to glide the cleaner over carpets and hard floors quickly and effortlessly.

Exclusive Flow-Thru Shampoo Brush System

- Rug shampoo cleaning solution is dispensed directly to the brushes where our exclusive Flow-thru system converts it to foam to prevent excessive wetting of carpet.

All metal construction
4.2 amp. (450 watt) motor
The most powerful available
