UV Sanitizers

UV-C light sanitizer kills 99.99%† of germs by destroying nucleic acids and breaks apart their DNA

PhoneSoap

You charge your phone every day, but how often do you clean it? PhoneSoap 3 is the first and only cell phone charger that cleans and sanitizes your phone while it charges. With PhoneSoap, a charged phone is a clean phone.

- Fits all smartphones and most case sizes *
- Safely sanitizes anything that fits inside (phone cases included)*
- Acoustic audio amplifier allows you to hear alarms and notifications
- Two charging ports allow it to act as a universal charger for any device

JS-PHONES3

MAP Price \$79.95

HomeSoap

The new, larger unit is built to sanitize tablets and smaller home items. Like our smartphone sanitizers, this unit can also charge while it sanitizes through the built-in USB ports.

- Safely sanitizes larger objects
- Clean anything from a pacifier, keys, to a remote control
- Big enough for the Apple iPad Pro, and other large tablets
- Works with any item that can fit into the 3.66" W X 9.24" H X 13.18" L Space
- Two charging ports (1 USB and 1 USB-C) allow for universal charging
- Complete sanitization in 10 minutes

JS-HOMES

Face Guard Sports Mask

Suggested Sell Price - \$30.00

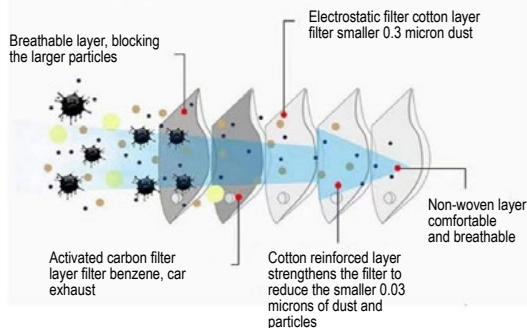

- **EXCELLENT DESIGN** - Anti-pollution guard with adjustable nose clip. Hook & loop strap can adjust for comfort and fit. It effectively seals and prevents fogging, keeps the product from slipping.
- **MESH MATERIAL** - The anti-pollution mask is made of polyester, which offers excellent permeability. This light-weight dust face shield is comfortable, breathable and great to wear in cold and hot weather.
- **MULTI-FUNCTIONAL** - This product filters out most of dust, chemicals, pollen, smoke, fumes, exhaust, and particles. It is excellent for people with pollen allergies, painting, mowing, woodworking, running, cycling, hiking, skiing, and other outdoor activities.
- **BREATHING VALVE** - Dual one-way valves allow easier exhaustion of heat and carbon dioxide, providing smooth breathing, glasses do not fog up.
- **WASHABLE MESH MASK** - The mesh fabric mask is washable and can be reused. The activated carbon filters are replaceable. This makes it easy to clean and lasts significantly longer than your average face shield.
- **INCLUDES:** 1 Activated 5 Ply Carbon Filter (5 Pk Filters JS-1800 sold separately)

Colors Available:

- JS-8141 - Black**
- JS-8142 - Grey**
- JS-8143 - Dark Blue**

Disinfecting Equipment

Vectorfog C100+ ULV Corded Electric Cold Fogger JS-C100

MAP \$529.00

- Reduces the core temperature of the fogger by 28 percent, enhancing its performance in long working conditions
- 1,250-watt motor can produce a powerful flow rate up to 13 GPH and easily cover an area of 1000 square feet in less than a minute
- Adjustable droplet sizes, adjust between 5-50 microns, with a spray distance of up to 26 ft. at an angle of up to 80 degrees
- 1 Gallon Tank
- 32 ft Cord
- 8 lbs
- Adjustable Shoulder Strap

The cordless ULV fogger has been specially designed to produce up to 45 minutes of continuous fogging time with only 2.5 hours of charge time.

Vectorfog DC20+ Cordless ULV Cold Fogger

JS-DC20P

MAP \$899.00

This fogger is ideal for spraying in smaller spaces including domestic properties as well as food prep areas, car valets and offices. Reduce the power to lower noise levels making it optimal for hospitals, nursing homes and schools. Features include an advanced 12V DC motor from LG electronics, two speed control and an adjustable nozzle producing various droplet sizes. Comes with a shoulder strap, chemical mixing cup and battery charger.

- Half Gallon Tank
- Power 12V
- Spray Distance 2 -7m / 6.5 - 23 ft
- Droplet Size 5-50 micron
- Net Weight 7.1 lbs

Disinfecting Equipment

PulsFog Turbo Hybrid Corded Fogger 5 Ltr Tank DRM-TULV110

- The PulsFOG Turbo Hybrid is an electrically powered, pneumatic cold-fogger. Its high-performance turbine creates a strong, warm flow of air that atomizes and propels the fog up to 75 feet, depending on the particle size.
- The Turbo Hybrid is perfect for the directed application of pesticides, fungicides and disinfectants, including corrosive products. Because this is a cold fog, the Turbo Hybrid is ideal for the application of bio-rational products.
- Power: 110v AC 4.4A
- Tank Size - 5 liter (treats up to 10,000 sq ft)
- This item is special order

Disinfecting Equipment

Victory Professional Cordless Electrostatic Handheld Sprayer

JS-1040

- Patented electrostatic charge penetrates chemical providing a then even spray pattern on all surfaces
- Weighs only 5.9 lbs with full tank
- Cordless convenience allows for effortless movement room to room
- 3-in-1 nozzle lets you set the spray particle size to match your application
